DAY MOUNTAIN WILDLIFE MANAGEMENT AREA
(Dalton)

- Size: 332.4 acres with moderate slopes. Elevations range 1200 to 1700 feet.
- Access: No formal parking areas. Limited road frontage restricts access. The Appalachian Trail abuts the property.
- Vegetation: Rich mesic woods entirely of hardwoods such as Sugar maple, White ash, Basswood among others.
- Water: There are no ponds, streams, or wetlands on the area.
- Wildlife: Deer, bears, turkeys, ruffed grouse can be found here.
- Special Regulations:
